

CHRISTIAN M. REYES

BS Computer Science Graduate

09766586288 | christianmanalo.reyes@gmail.com | City of Lipa, Batangas

PROFESSIONAL SUMMARY

Detail-oriented Computer Science graduate with hands-on experience in software development, user interface design, documentation, system support, troubleshooting, and cross-functional collaboration gained through an internship and academic. Possesses a strong willingness to learn and grow in a professional environment. I am eager to apply my technical knowledge, contribute to your team, and continuously improve my skills. I value teamwork and adaptability, learn quickly, delivering quality results, and I am committed to becoming a valuable asset to your organization.

WORK EXPERIENCE

Mobile Application Developer Intern

Feb 2026 - May 2026

ShapeTech I.T. Services

- Developed a mobile application based on company requirements, delivering a functional solution that supported organizational operations.
- Implemented key application features, including user authentication, role-based access control, real-time database integration, Google Maps API integration for location tracking and navigation, and other core system functionalities, enhancing usability, security, and overall system reliability.
- Managed software development activities, including coding, database management, testing, debugging, troubleshooting, and feature enhancements, ensuring a reliable and maintainable application.
- Collaborated with the development team to enhance application features and user experience, contributing to the successful completion and turnover of the project.

EDUCATION

Bachelor of Science in Computer Science

2022 - 2026

Kolehiyo ng Lungsod ng Lipa

- Graduated with Academic Distinction; consistent Dean's Lister from 2nd to 4th year.
- Ranked 1st (Top Dean's Lister), Computer Science Department, AY 2023-2024 (2nd Semester).
- Received Best Thesis Programmer (Mobile Application Development), Best Thesis Presenter, and Best Thesis in Intelligent Learning Systems awards.

TECHNICAL SKILLS

- Programming Languages: Java, Kotlin, Dart, Python, C#, SQL, HTML, CSS
- Frameworks & Technologies: Flutter, Firebase, MySQL, APIs
- Development Tools: Android Studio, Visual Studio, Visual Studio Code, Git, GitHub
- Productivity and Tools: Microsoft Office (Word, Excel, PowerPoint), Google Workspace (Docs, Sheets, Slides, Drive), Adobe Photoshop, Figma, Canva

RELEVANT PROJECTS

Thesis: MemorAI – AI-Powered Study Companion

2025 – 2026

Project Lead & Lead Developer

- Developed an AI-powered mobile application that automatically converts uploaded study materials into flashcards, helping students create reviewers more efficiently and enhance their learning experience.
- Integrated intelligent document-processing capabilities, transforming learning resources into interactive flashcards and reducing manual reviewer creation.

ADDITIONAL SKILLS

- Core Competencies: Communication, Team collaboration, Problem-solving, Time management, Attention to detail, Adaptability, Fast Learner, Able to Work Under Pressure, Willing to Learn and Take on New Challenges
- Languages: Filipino, English
